To the residents of Sarn

"In about 2000 Sarn WI took part in a National project. They put together folders with information about each house in the parish, its occupants etc. Each household was asked to either mount the photos on one or two sides of card in an A4 plastic wallet themselves or to ask for help taking the photos of the house etc. Short histories of the house and/or occupants etc were welcomed.

So much has changed since then that the History Group would like to update the books. We would like everyone to take part. Only a handful of houses didn't take part last time.

We hope to start this summer."

Full application for continued siting of a portacabin for 2 years, for use as a classroom

KCC Response

“After making a visit to the site and having viewed the portacabin in question KCC wishes to make you aware of the following points.

The portacabin is not currently used as a classroom and has not been put to that purpose for some long period of time.

This is the third extension to the temporary statues of two years granted to the original application.

It appears to make a mockery of the system by the continued non-removal of the cabin as set out in the conditions and then making late application for an extension.

“Therefore, KCC object to this application and request the portacabin be removed.”

PCC Notice.
