Wildish addressed council on possible events for the day. St Michael's School has been approached with the view to involving the children. It is intended to make the day as cost free as possible by encouraging families to bring food for a joint picnic with entertainment similar to May Day celebrations. KCC Council has no objection to this application. **PCC Planning Notices** P/2016/1200 24/11/2016 Focus School - Newtown Campus Sarn SY16 4EJ Continued siting of a temporary portakabin (2 years) for use as a class room. **KCC** suggests that, although in breach of the 2014 planning condition the portakabin should remain in use until July 2017 bringing it in line with the end of the academic year. After that date KCC wishes the removal of the portakabin re-affirming their original concerns made in 2014. However, PCC have given conditional consent with removal after a further 2 years. (See website kerrycommunitycouncil.gov.uk for further details) This prompted considerable discussion. Some KCC Councillors expressed grave concern about the decision made by the Planning Committee. It was duly proposed and seconded that 'In the light of the PCC Decision on P/2016/1220. KCC should make no response to the current Planning Applications on the agenda'. The motion was put to the vote and defeated. Council was then asked to accept the resignation of Cllr. O Stanier (Sarn) and it was accepted with regret. The Clerk was asked to find out whether there is a Complaints Procedure which could be used if KCC wished to pursue further investigations of PCC's Planning Department actions on this and other Planning Applications. **Finances.** Account balance as of 5th March 2017.
